*** Leave the Church in silence and darkness.**

The Congregation will exit the church upon Roman Soldiers release pew by pew. This is the end of the production. Please go to your car and **leave in silence**. On your way home ponder on what just happened.

Go to Dark Gethsemane

Go to dark Gethsemane, all who feel the tempter's power;
your Redeemer's conflict see; watch with him one bitter hour;
turn not from His griefs away; learn of Jesus Christ to pray.

See Him at the judgment hall, beaten, bound, reviled, arraigned;
O the wormwood and the gall! O the pangs His soul sustained!
Shun not suff'ring, shame, or loss; learn of Him to bear the cross.

Congregation please join

**Calvary's mournful mountain climb; there, adoring at His feet,
mark that miracle of time, God's own sacrifice complete;
"It is finished!" hear him cry; learn of Jesus Christ to die.**

Thanks to the stage design, assembly team and anyone who helped prepare for this production. There are too many to name.

The Drama you see in this Cantata was written in house and not a part of the purchased Tenebrae Service.

*We thank God for giving us
His only Son to die for our sins.*

In Calvary's Shadow: A Tenebrae Service

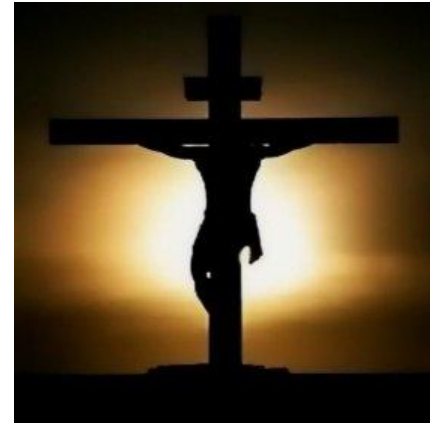

Victor C. Johnson

"In Calvary's Shadow" is a deeply moving service of penitence and forgiveness. With elegant simplicity, it invites the faithful to experience Jesus' journey from betrayal through crucifixion with a tightly woven tapestry of dramatic scripture readings, vocal solos and congregational singing, and arrangements of spirituals and gospel hymns, as well as newly composed music by celebrated composer Victor Johnson. While the choir exits there is a short period of quiet meditation while sitting "In Calvary's Shadow," God's people exit the church behind the choir in silence.

We received Thrivent Action Team seed money for advertizing and set design for tonight's service. Our Thrivent Financial Representative, Gary Samuelson is portraying Caiaphas, The High Priest.

The cantata will be available for viewing on facebook and the website at a later date.
